Dear conference participants,

We look forward to welcoming you to our conference!

First, some important advices for your stay:

- In case you want to **explore Berlin and Germany**, we would advise you to rather arrive a few days earlier than stay longer, as the Berlin Marathon takes place on September 24/25, so that hotel capacities in Berlin and Potsdam might be limited.
- In case you want to book a room through **Airbnb**, please be aware that some offers might be in conflict with a new restrictive Berlin law and thus not be available in September.

---

## OFFICIAL CONFERENCE HOTEL

This will be the main hotel for attendees of the Science Day.  
We have blocked rooms for September 21-24 (first come, first served).
